COMMUNITY ORCHESTRA

20 October 2021

To Our Valued Audience Members:

NABSCO joins artists and performers across the United States in taking steps to maintain safety during this pandemic:

- Attendees at our performances must present proof of COVID-19 vaccination or a negative COVID-19 PCR test taken within 72 hours before performances. These documents may be presented as physical copies or as smartphone photographs.
- A face mask covering your mouth and nose must be worn in the performance venue.
- We encourage social distancing while seated, insofar as is possible.
- Due to compressed COVID-19 schedules, please be prepared to enjoy the end of our warm-up rehearsals if you are seated early.
- Performers will generally remain masked while on the premises of the performance venue.
- Under limited circumstances, our performers may remove their masks temporarily, provided that your enjoyment of our performance can be safely enhanced.

Thank you for understanding as we make a safe return to live concerts.

With Gratitude,

Ivan N. Kirschner
NaBSCO Board President
